

Boil Water Notice

November 3, 2022

Due to a water main break in the area, the Texas Commission on Environmental Quality has required the Springs Hill Water Supply Corporation/940022 public water system to notify our customers who receive water at the locations listed below to boil their water prior to consumption (e.g., washing hands/face, brushing teeth, drinking, etc.). Children, seniors, and persons with weakened immune systems are particularly vulnerable to harmful bacteria, and all customers should follow these directions). This boil water notice applies only for Springs Hill WSC customers in the following locations:

- Guadalupe County Humane Society at 2484 TX-46, Seguin
- Cargill, Inc. at 2464 TX-46, Seguin
- Seguin Cattle Company at 2424 TX-46, Seguin
- Southern Winds Veterinary Services at 2220 TX-46, Seguin
- Angel Pest Control at 2486 North, TX-46, Seguin
- Residences at 2100, 2110, 2120, 2130, 2495 North, TX-46
- Residence at 1900 Proform Road

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and ice making should be boiled and cooled prior to use for drinking water or human consumption purposes. The water should be brought to a vigorous rolling boil and then boiled for two minutes.

In lieu of boiling, individuals may purchase bottled water or obtain water from some other suitable source for drinking water or human consumption purposes.

When it is no longer necessary to boil the water, the public water system officials will notify customers that the water is safe for drinking water or human consumption purposes.

Once the boil water notice is no longer in effect, the public water system will issue a notice to customers that rescinds the boil water notice in a manner similar to this notice.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
